A Message To The Reader From Derek Vitalio

The women in this book are all real women that I've encountered online using chat. Yes, online can be a great place to meet women, beautiful women, and I strongly suggest that you use your computer to your advantage.

The benefits of learning by direct example are enormous – by following my step-by-step analysis of what's going on, you'll be able to easily model the aspects that work for you.

While these conversational examples will work at a party, on the beach, or on your computer, if you proceed with online conversations be mindful of one point: *get her phone number and start talking to her on the phone as fast as possible*. Otherwise, no matter how well you seduce her through the internet, you'll remain her net fantasy and nothing more.

Now go out there and get laid like a rock star!

Regards,

Derek Vitalio

Sherri Wants Some Action part #1

Age 26

Occupation: Social worker

Likes: Hanging with friends, reading, movies, music, theatre, dancing, and “outdoorsy” stuff

When I first saw Sherri's photo I pants stood at attention and almost burst! Since I've gotten to know her, not only is her face gorgeous with those green, hypnotic eyes, she had an ass so round you could serve dinner from it. She also had a great, breezy attitude when I first IM'ed her. Although rather shy at first, she turned out to be a little freak in bed and couldn't get enough of my dog licking. Babes don't get any better than this one!

Derek: Hey how are you!

Start the conversation out with enthusiasm.

Sherri: hi there

Derek: I'm good.. got a run today

Derek: nice day over here

Sherri: cool

Sherri: nice here today too

Derek: yes i guess it's nice everywhere

Lame joke... a little humor opens women up.

Sherri: lol

Derek: i bet even afghanistan has nice weather today

Carry on the same joke.

Sherri: u think?

Derek: well, it is a desert isn't it? i don't think they ever have cloudy days

Okay, that joke is getting lame now!! :)

Sherri: hmm good point

Derek: anything unusual happen

Sherri: today u mean?

Derek: yes like you saw a big rainbow or met an old friend

Cute and mushy. Notice how I'm change emotion often... going from humor to cuteness. Switch a lot, keep the babe on her toes. Stay too long in one emotional thread and the women may get bored – and worse, see you as one sided.

Sherri: lol

Sherri: nothing so exciting i'm afraid

Derek: lol well sometimes the good things are in the little moments

New "romantic" theme. Never focus of her boredom. If you talk about it, she'll feel only more bored. Change topic and imagery to keep her interested.

Sherri: yes

Sherri: i agree

Derek: like when you hit the shower

If she responds well to you, suggest a topic that invokes sex! In this case hitting the shower.

Sherri: lol

Sherri: nothing exciting today

Derek: after mowing the lawn! yuck

Derek: i don't suggest getting a big lawn

Sherri: lol

Sherri: i hear ya

Sherri: i mowed today .. yuck

Derek: oh you did too?

Sherri: yep

Derek: well we must be psychically connected somehow ;)

A joke. She mowed and I mowed. Joke about the connection you feel together.

Sherri: lol

Sherri: ☺

Derek: well it happens. Did you brush your teeth today?

Sherri: yes

Sherri: lol

Derek: My god. I DID THAT TOO!

Carry the joke for a one two punch!

Sherri: woowoo .. twins

Derek: lol We are connected! I knew it

Derek: It's like i can feel a rope of energy passing between you and me

Derek: lol

Sherri: lol

Derek: can you feel that?

Sherri: yes, you must have flossed as well

Derek: of course

Derek: I floss like there's no tomorrow

Still joking.

Sherri: lol

Derek: i'm building a swing set with my floss i go through so much of it

Still joking. Humor really lets a woman put her defenses down. I suggest you joke around A LOT to make her comfortable before wanting her number or asking to meet you. DON'T talk about sex on IM. Wait until you meet her for that.

Sherri: lol

Sherri: you must be Mcguyver (spelling?)

Derek: ☺ see, my teeth

NOTE: I'm showing Sherri a happy face graphic that is showing his bluish teeth.

Sherri: lol

Sherri: nice teeth

Derek: why mcguyver?

Sherri: if you can make something out of dental floss

A hidden compliment.

Sherri: wait, i guess it would have to be a bomb then

Derek: yeah i have to get that blue lining out of my teeth though

Sherri: so nevermind

Sherri: lol

Derek: lol oh gotcha

Sherri: ☺

Derek: oh you do too! See, we are like twins

Nice line here... reinforces the idea that we're uniquely connected.

Sherri: yes it appears so

Derek: what's going on with work next week? are you looking forward to it

What does she do?? Well, it's more interesting for her to talk about what she likes and doesn't like about work, so that's how I phrased it.

Sherri: well, i am not looking forward to it to be honest ..lol

Sherri: i am tired of working and want to sit on my ass at the beach for a week

Sherri: lol

Sherri: <-- needs a break

Derek: don't we all.

Pace her... acknowledge that you understand.

Derek: well what sorts of things do you enjoy doing in your free time then, cutie?

Once you're done with the humor and she's responding quickly, shift the conversation to her favorite topic: herself.

Sherri: hmm

Sherri: hanging with my friends, reading, movies, music, theatre, dancing, outdoorsey stuff

Great stuff to work with. This chick is cool. You don't need to elaborate on everything she says, just concentrate on one.

Derek: what kind of dancing do you like

I have a genuine curiosity for dance, so I flew with it. Pick whatever you find most interesting, because a woman can sense if you're bored and are only talking to get into her pants, or if you're actually interested.

Sherri: lol any kind

Derek: have you taken any classes?

Sherri: well took ballet and all that up through highschool

Sherri: took a ballroom dancing class once

Sherri: lol other than that nope .. i just like to move to the music

Derek: oh you did.. did you ever break a leg or anything in ballet?

Corny, but gets a laugh.

Sherri: nope

Sherri: lol

Derek: <whew>

Derek: I've taken jazz dance.. we did some michael jackson moves

Sherri: ahhh

Sherri: very cool

Sherri: what kinds of things do u like to do in your spare time

She's asking me questions now. Good sign... we've got good rapport already.

Derek: also a little ballroom through college... it was fun

Derek: well, similar to what you said.. seeing a good movie with someone, dancing, writing, outdoors, exercising for a brief list

Sherri: cool

Derek: i like hiking, cabins, seeing sunsets, swimming in the lake

Sherri: me too

Derek: what movie did you last see?

I gave her some information about what I like so that she can see we have similar interests,, but I'm quick to change the conversation back to her interests. Again, women LOVE to talk about themselves! And a women will notice if you're genuinely interested in her. Most men blab on about themselves WAY too much.

Derek: or your favorite movie

Sherri: lol uh spiderman ..

Derek: lol

Sherri: oh yippee

Sherri: lol

Sherri: took some kids

Derek: lol oh sure.. you were really their for the kissing scene weren't you

Introduce some sexuality... notice the context of this "joke" is that SHE is horny.

Sherri: LOL

Sherri: yes, you caught me

Sherri: i need to get my jollies from an onscreen kiss

Sherri: ☺

Derek: well I saw Star Wars.. lame

Referring to "Attack of the Clones". Don't get me wrong I live by the first trilogy produced.

Sherri: it was? damn

Derek: you might like it though.. special effects and all

Sherri: hmm probably not, i need a good story

Derek: Enough with jennifer lopez was intense

For those who don't know, in "Enough" Jennifer Lopez is running away from her husband you tries to beat her and have her killed. It's a graphic look at family physical abuse.

Derek: it had me on the edge of my seat

Sherri: i can't see that one .. to scary

Derek: lol

Derek: well i'd cover your eyes at the scary parts

Tender, with sexual tones. Keep it light unless she's unless she expresses she wants to bed you.

Sherri: lol

Sherri: aww thanks

Derek: well, in enough lopez beats the crap out of the guy

Sherri: lol that would be cool

Derek: what movie did you really like? that's your favorite

Sherri: hmmm

Sherri: i have tons

Derek: adventure, romance?

Sherri: i can think of some from both categories

Sherri: i like adventure and dramas better than romance ..lol

She's telling me how to seduce her here. Listen to everything and use it to your advantage. In an effective seduction, the woman is basically giving you exact instructions on how to seducer her. Deep down most women want to be seduced. All you have to do is listen.

Derek: lol I bet you're one of these people with 300 DVDs and their literally falling from the sky
Exaggeration humor.

Sherri: i have about 30 or so yes

Sherri: lol

Sherri: not many actually

Derek: my vhs tape movies are totally lame

Derek: ... Felix the cat... Betty boop

Contrast can be funny.

Sherri: oh my

Sherri: lol

Derek: cartoons

Derek: i don't know how I got those. a present or something

Derek: lol or visual torture

Sherri: lol likely story

Derek: "steel magnolias".. haven't watched it yet after about a year

Derek: lol maybe I'd like it

Sherri: lol

Derek: what's your favorites?

Sherri: hmm

Sherri: let me think of my movies

Sherri: i have everything from remember the titans to american pie

American Pie – this gal finds semen jokes funny. She's cool. Can get more sexual in my speech next time.

Sherri: shawshank redemption

Derek: oh i never saw american pie

Sherri: meet the parents

Derek: how is that apple scene

Sherri: lol

Sherri: funny if u are into that type of humor

Sherri: dumn if you aren't

Sherri: lol

Sherri: (dumb)

She likes it. It is one of her favorites!

Derek: toilet humor

Sherri: yep

Sherri: oh brother, where art thou

Sherri: hmm

Derek: i like dumb

Sherri: i have tons

Sherri: and can't think of many

Sherri: lol

Derek: i hear oh brother is excellent

Sherri: i love that movie

Sherri: cracks me up

Sherri: my sister and i are retards and quote it all the time to each other

She doesn't have a stick up her ass. And she's opening up to me. Definitely time get more sexual soon.

Derek: so do you have a crush for george clooney, eh??

Sherri: everyone looks at us like we are idiots

Sherri: LOL no

Derek: do you mean you sing to each other all the time? i hear the music is good

Derek: and that would look really weird

Sherri: lol no

Sherri: just crack jokes

Derek: i enjoy seeing a movie on a comfy sofa with the lights down

Sherri: me too

Derek: you can just snuggle up and tune out a little

Hint, hint. Put that image into her head.

Sherri: yep

Derek: lol that's the problem with theaters.. often you can't lift the armrest up and make two seats into one!

Hint, hint. Put that image into her head.

Sherri: exactly

Derek: lol you are so cute

I'm giving her light-hearted compliment that I'll use as her nickname. We have enough rapport now that I know she'll like it.

Sherri: ☺

Derek: ☺

Derek: oh my, it's 10:30??

Always be the first one to end the conversation. It shows her that YOU have a life without her. It shows her that you're a busy guy and you can't chat all night. It makes her look forward to talking with you again.

Sherri: yes sir

Derek: well i should probably get off in a few minutes

"Get off" is a hidden command. Sometime women pick up on it.

Sherri: ok

Derek: time passed fast!

Derek: well Sherri

Derek: is that your name?

Sherri: yep

Sherri: lol

Sherri: yep, hey well sleep good, glad to talk for a bit

Sherri: nightie night

Derek: ok, sweet dreams cutie

I'm already using her nickname "cutie"

Sherri Wants Some Action part #2

Age 26

Occupation: Social worker

Likes: Hanging with friends, reading, movies, music, theatre, dancing, and “outdoorsy” stuff

When I first saw Sherri's photo I pants stood at attention and almost burst! Since I've gotten to know her, not only is her face gorgeous with those hypnotic green eyes, but she had an ass so fine you could serve food from it. She also had a great, breezy attitude when I first IM'ed her. Although rather shy at first, she turned out to be a sex freak in bed and couldn't get enough of my dog licking. Babes don't get any better than this one!

Derek: Helloo Sherri! r u there?

I always start with enthusiasm rather than just “hello”. It makes you stand out.

Sherri: hey there

Derek: lol hey cutie

Nickname. With a nickname like “cutie” I can constantly imply I want to rip off her clothes without actually having to say it that way.

Sherri: lol

Derek: lol so did you put me in your sweet dreams?

Chicks like dreamy stuff.

Sherri: ☺

Her happy face has a tongue sticking out.

Sherri: hmm, maybe .. dont know, i can never remember my dreams

Derek: so i was there with my tongue hanging out. hmm what does that symbolize?

Joke about the symbolism of her happy face tongue as me in her dream.

Sherri: lol

Derek: i don't either, but it might be worth a try see what kind of things are going on up there

Derek: so what are you up to now

Sherri: working

Sherri: yippee

Sherri: lol

Sherri: what r u doing

Derek: well i helped my sister move

Derek: and then i took a long, warm shower which felt really good

Now I'm going to hit her with some nice sexual energy and imagery. She's ready for it now.

Sherri: very nice

Derek: like every muscle in your body just relaxes

Derek: can you imagine how that feels

Tell her to feel those hot feelings of being in the shower. Notice how the command is disguised as a question.

Sherri: yep, i can imagine

Sherri: love that

See, now she's feeling it. Give girls good feelings and they'll flock to you like Enron executives to money.

Derek: are you busy now because of your work?

She's at work so ask if she's busy. Remember, you want to be the first one to leave the chat, not her because of work demands.

Sherri: not busy .. just goofing for a while till i can leave

Derek: lol i see

Sherri: my brain is fried .. no more paperwork

Derek: well let's see how much we can relax then

I'm launching into some heavy stuff here.

Sherri: ☺

Derek: ever have a good massage

Derek: from head to toe

Sherri: i have had a few good ones in my time

Sherri: u?

Derek: shoulder massages. i havn't found many people who can do them

Derek: some people like to take the time for them

I'm establish "us" versus "them". Only Sherri and myself share these feelings of "enjoying a good massage". It's all a fantasy, but notice how my words structure the fantasy without question.

Sherri: lots of people just do it for a few minutes

Sherri: never get fully relaxed

Derek: yes, you need to do the whole body and have all of your skin touched to really relax

Hmm. Skin touched all over? Hot.

Sherri: yes i agree

No resistance. At this point the seduction is in the bag, unless you royally foul up. But she's on your side.

Derek: I have a video but can't practice

Sherri: a video?

Derek: shows stroking, kneading, vibration.. i didn't know there were so many techniques involved!

Translation: Stroke me, knead me, and I'll vibrate you.

Derek: yes from borders

Sherri: oh, that is cool

Derek: what do you to relax? or maybe you don't get the time

Sherri: bubble baths

Perfect answer. Never let an answer like this escape! There's a lot of imagery you can do to get her horny with this. And best of all, SHE'S bringing it up which means you say just about anything with no resistance. After all, in her mind SHE brought it up, so it's hard for her to object to what you say.

Sherri: candles

Sherri: book

Sherri: or music

Derek: hmm.. candles are nice. I have this incense candle that burns a scent

Derek: let's try a trick

Derek: do you consider yourself an imaginative person?

Give herself an "image to live up to". If she says "yes", she'll have to do my "trick". How could she "yes" and then not do it? In her eyes she would feel inconsistent and a liar. If she says "yes" there's no turning back for her.

Sherri: hmm, yes i think so

Derek: lol

Derek: ok well can you imagine a time when you were perhaps in a bubble bath or sung in bed

Derek: "snug"

Derek: with candles around you listening to your favorite music?

Sherri: yep

Derek: well, do you imagine that feeling inside of you or in front of you? where do you feel that

Sherri: inside of me

Notice I don't ask her exactly what she's feeling whether it's relaxation or horniness or what. You don't need to know for this trick.

Derek: where? in your chest, your hips, your tummy?

I am interested as to where she's feeling it because I'm going to move it around.

Sherri: chest probably

Derek: take that good feeling and using your imagination, move it from you chest down to your tummy

Derek: slowly.

Derek: And as it moves, the feeling gets stronger and stronger

Make the feeling get stronger and stronger as it moves through her body. This gets women extremely hot.

Derek: tell me when

Sherri: k

Her response is important.

Derek: now move that feeling down further, to deep inside your hips, as it grows more and more intense

Notice that her hips is where her pussy is.

Derek: what feeling do you have

Sherri: hmm

Bingo. She's horny. Time to turn charge the experience and connect it to me.

Derek: now imagine i'm right in front of you and i can put my hand inside and gently hold that feeling inside you

Notice that I'm touching her now in her fantasy; in fact I'm passing my hand through her body, through her wet pussy, into her hips to grab that feeling.

Sherri: mmm

Derek: now in my hands, you can feel that mmm feeling grow warmer, radiating a little yellow warmth

Turn up the heat. Make it hot. Notice that I emphasize that my hands are inside her.

Derek: imagine that warmth spreads out ward and you can feel the warmth relax your body and make you feel soo good.

The heat spreads, makes her whole body horny, and I emphasize how it feels sooo good.

Sherri: makes me want a bubble bath now

She's telling me how to seduce her. Use the imagery of a bubble bath now.

Derek: well that warmth is just like bubble bath

Sherri: yes

Derek: you feel it as a bubble bath, especially as the warmth spreads from my hands down to your legs

Sounds kind of like I'm stroking her from her pussy down her legs.

Sherri: mmm

Derek: and up slowly up through your chest, growing hot just like a hot bubble bath

And over her tits in a bubble bath.

Sherri: 😊

Derek: just imagine that you're smiling and I'm there smiling at you too

Facial expressions are very important in close intimacy. I'm facing the imagery so vivid that she can almost picture herself and me in a bubble bath, getting full finger pleasure.

Sherri: 😊

Derek: because we're sharing something special, that energy

Revisit the connection theme that's I've brought up before. So we have horniness, intimacy, and connection all rolled into one, and all associated with me!

Sherri: ☺

Derek: and then that heat spreads over your chin.. and your nose.. just like your sinking all the way down, down into relaxation and bliss in the bath

Analogy for surrender yourself.

Derek: feel better?

Sherri: yep

Sherri: ☺

Derek: good, most people can't do that

Don't do too much. Give it to her and then take it away. Leave her hungry for more... taking it all away also shows her that you're in control of your own horniness.

Sherri: my imagination is good

Derek: that must mean you're special cutie

She responded well. Reward her for good behavior and give her a compliment. This "trains" her in a sense to respond well next time.

Sherri: lol

Sherri: you are the cutie

Derek: lol thanks

Always acknowledge a compliment.

Sherri: ☺

Derek: lol well maybe someday we can be cuties together!

Notice how I didn't directly ask her out. I can't get a "no" answer. It's only a vague suggestion we should get together if she decides to interpret it that way. Will she pick up on it?

Sherri: ☺

Sherri: maybe so

She picked up on the desired suggestion when she didn't have to. She's way into me and wants to see me.

Derek: well, would you like to meet?

Just go for it. You can't pussy foot around the subject when she's given you can obvious green light. This is where a lot of guys mess up.

Sherri: how far are ya

Bingo.

Derek: lol well how far is _____ from _____?

Sherri: 90 minutes

Derek: only?

Sherri: maybe 2 if bad traffic

Derek: oh that's really not bad

Sherri: nah

She's making excuses for me to see her.

Derek: how about we plan a trip later and meet somewhere after we exchange numbers

Sherri: that would be nice

Sherri: i will say though

Derek: lol you will say?

Sherri: i am skittish

Here she's showing a bit of resistance. No problem. She's telling you how make her feel more comfortable in order that you can seduce her. Don't take this as any kind of rejection. She wants to be seduced, she just needs you to make her feel more comfortable.

Sherri: slow to warm up

Sherri: in other words, it won't be this weekend

Derek: lol that's understandable! a lot of people are that way

Pace her feelings. Show her that you understand her reservations.

Sherri: just wanted to be upfront

Derek: because we'd definately meet in a restaurant, in a public space

Derek: just in case you're a psycho i have to protect myself

My ammunition: Her frame of mind is that I could be dangerous. What I do is steal her fears and use them right back to her as the form of a joke to show her how silly they are. So now I'm pretending that I have reservations of her. It's all humorous and exaggerated of course.

Sherri: lol

Derek: lol just kidding

Sherri: i only stalk on mondays, so you should be safe

She gets into the joke and makes light of her reservations. Cool chick.

Derek: whew, so you won't be stalking me? okay i feel better now

Sherri: ☺

Derek: or will you be calling me 10 times a day?

Now I'm presupposing that she'll be calling me.

Derek: ☺

Sherri: lol 10?

Sherri: geez

Derek: lol oh more then?

Sherri: lol 10 is a lot!

Derek: lol i guess i'm safe them!

Derek: no just kidding cutie

Sherri: ☺

Derek: so do you only have 15 minutes left?

I want to be the one who leaves first, so I find out how much more time she has.

Derek: of working

Sherri: i can leave after 5 yes

Derek: ahh... freedom

Derek: no more flying paper airplanes!

Derek: until tomorrow morning

Sherri: yes, although i won't be in the office tomorrow so i can have a better day

Sherri: lol

Derek: oh playtime?

Derek: reading with candles in a hot tub? Lol

She responded well to the sex conversation, so now I'll start Act II. My one two punch. Watch out Sherri!

Sherri: yes

Derek: hmm, sounds sensual kind like that energy inside of you

Sherri: lol maybe

Sherri: ☺

Derek: does your mind wander like that? mine does

Transitioning...

Sherri: yep

Derek: like the steam just puts you into a trance or something

Transitioning...

Derek: i was in Japan once

Onto my "I'm naked in the hot springs with monkeys" story.

Derek: and there was this hot spring

Derek: and the water was SOO hot

Derek: you could only be in the water for a minute or two.

Derek: So I kept jumping up out of it with no clothes on, lol with my thingy out, bouncing around.

Now she's picturing me naked, hot, and covered in droplets of water with my dick out. Notice how I specifically bring up my dick moving around.

Sherri: lol

Derek: but in japan they have monkeys

Derek: and these little monkeys were running around the springs.

Uh oh, the bad guys!

Derek: They were annoying cause they kept trying to hug you (they're tame) and see if you have any food

Sherri: lol

Sherri: watch your banana

Hmm, notice what she brought up? She's thinking of dick. That's why using monkeys are a good image in this story because you associate monkeys with bananas and bananas with dick. ☺

Sherri: lol

Derek: lol no kidding

Derek: well i kept having to jump out of the pool naked and sweaty because it was so hot and these monkeys kept trying to jump on me

Okay, yes it sounds corny but girls get off on this!

Derek: lol i spent half the time trying to chase them away

Sherri: lol

Sherri: not very relaxing

Derek: no!

Derek: but it was fun!

Sherri: lol

Derek: lol i don't think i'd be naked and sweaty chasing monkeys around with my john swinging around again though, if you can picture that

"If you can picture that" forces the picture into her head. Notice how I always mention my dick.

Sherri: lol

Sherri: awww, why not!

Sherri: lol

Derek: lol well, you want to give it a try? the monkeys got awfully close to my swinging john. lol maybe they thought it was something to eat

Hint, hint, blow job my banana Sherri.

Derek: lol fortunately i wasn't turned on them so it wasn't big banana size

Notice how I casually tell her how big I am in the context of a story, though I leave my concept of "big" to her imagination... let her imagination run wild with this one! So how big are you??...

Sherri: poor monkeys

Derek: yeah i didn't have any food to give them

Derek: listen don't you have to go? it's almost 5 i don't want to hold you up

It's almost time for her to go. I don't want to hold her up, I want to be the first one to go.

Sherri: yes, i should get out of here

Sherri: thanks for goofing with me

Derek: no it was fun

Sherri: ☺

Derek: why don't we talk on the phone next time. lol or will that make you "skiddish"?

I make fun of her "skiddish", "slow to warm up" mentality and fear. A little humor goes a long way to bring down a woman's defenses that are sometimes just plain silly.

Sherri: lol

Sherri: nah, i am not that skittish

Derek: great

Sherri: ☺

Derek: well how can i reach you then, pray tell?

Notice I'm not asking her for her number. "Can I have your number?" automatically reminds her of all the losers who have tried to ask her out before. Also, "How can I reach you" is not a yes / no question. It doesn't give her the option of saying no.

Sherri: lol

Sherri: just don't post it on the internet

Sherri: and say free phone sex

Sherri: 000

Derek: oh you foiled my secret plan!

Sherri: 000

Sherri: 0000

Bingo, mission accomplished. We're moving off IM in just two sessions. It's ALWAYS good to get off of IM as fast as possible. If you can't get her number by the end of the fourth session, forget it. She'll be using you as a fantasy friend rather than meeting you as a real person. And the longer you wait, the more comfortable she'll become as seeing you as her IM fantasy friend. Get her on the phone quick!

Derek: here's mine to in case you ever get the urge to call

Derek: 836

Derek: ..4

Derek: ..5

Derek: ..6

I'm just making fun of how she split up her number over three lines.

Sherri: u call first .. my phone will save it

Sherri: i do have caller id

Derek: oops

Derek: ok sounds good

Derek: what times are good for you by the way?

I always ask when to call a woman. I don't want to miss her and have my number appear on her caller id. After a few times, that makes you look like a desperate loser who jerks off to Swank magazine or something.

Sherri: well i don't have a land line at home, just use my cell wherever i go

Sherri: so anytime

Sherri: just not after midnight .. i won't answer if i am sleeping

Sherri: lol

Derek: lol what a coincidence.. i turn mine off when I'm sleeping too!

Derek: ok cutie

Sherri: lol

Derek: you should get going now

Notice how I tell her to go instead of how I'm going to go. I also like to end on a high note.

Sherri: yes, i am packing up between typing

Sherri: talk to you later maybe

Sherri: ☺

Derek: definately. i'll talk to you later then

Derek: ☺

Sherri: bye cutie

Now she's calling me cutie as well. She has very high rapport with me. Very high. I see 100% chance of success in the future.

Derek: ok bye bye

The aftermath: Afterwards

Juliet gets Hot and Horny part #1

Age 32

Occupation: Nurse

Likes: Poetry, sex, the beach, being a mother.

I didn't get a photo of Juliet until after I met her. And thank god I met her on a chance, because boy, the first night I met her she rocked my world! Juliet always wore 3 inch heels that really accentuated her killer toned legs. Best of all, she loved receiving pleasure and I bedded her the first night we met. She wasn't as good herself at giving it, but I eventually taught her a thing or two 😊. Although she may look a little standoffish, she had a very open personality and establishing rapport was quick and easy. We're still enjoying our relationship (long distance now) to this day.

Derek: Hi :-)

Juliet: hi

Derek: How are you?

Juliet: good and yourself

Notice that I don't begin the conversation with a/s/l. It's really tacky for seduction.

Derek: Would you mind if I asked you a question?

Juliet: certainly ask away

Derek: Are you a poet?

Her screen name has already given me information to use. Notice how I'm curious about HER from the very beginning.

Juliet: well I dabble

Derek: I'm curious, what sort of things move you to write poetry

I'm asking her about what emotional states she likes enough to inspire her to write poetry. Hopefully, she'll connect those good states to me.

Derek: Hi, my name is Derek by the way :-)

Juliet: well to be honest I started writing when i went to NY-- after my divorce-- Hi Derek nice to meet you I'm Lisa

I got her name right away. By using a woman's name in the conversation, she'll better think of you as an "old friend". It's a much more personal way of addressing someone.

Derek: Oh, how is NY? Do you enjoy living there

Juliet: i don't live there now

Juliet: I lived there along time ago

Derek: OK, actually I went to school in NY but I live in _____ now

Juliet: thats cool where in fl do you live

Derek: I live in [city]

Juliet: oh cool I live in [city] too

Jackpot! We're in the same city.

Derek: hey, great! Are you a beach person, or more of an indoors person?

Find out what she likes to do and match it.

Juliet: i love the beach i used to surf

Derek: Really? I love the beach, lol but I've never surfed

Juliet: well i haven't done it in like 12 years

Derek: lol well sounds like a lot of fun

Derek: What's your favorite thing to do in the whole world?

Juliet: yeah it was but i was only 15 so im sure its changed LOL

Juliet: well right now my fav thing is my 6 y/o daughter

Juliet: yes I'm a mom

Derek: I can completely understand

Don't freak out just because she has a kid. Most guys run at this point, but if you stay you've already separated yourself from 90% of the guys out there that will miss this opportunity.

Derek: and relationships are soo important, especially a daughter

Women's #1st favorite subject to talk about is themselves. Their #2nd favorite subject are their kids.

Derek: What are the best three things about your daughter that you love so much?

So ask! Again, ask a question that brings up an emotional state in her.

Juliet: yep my little angel even though she is living with her dad till i finish school i still love her to death

Derek: So you don't ever regret getting married?

Juliet: well she is my only baby, she has the most beautiful smile and personality, and just her in general

Juliet: yes i did regret it he wasnt the one

Derek: yes, that one person is rare and hard to find sometimes

Show that you understand her... that means YOU must be the one!

Derek: but sometimes you meet someone and there's that magic and it all just clicks

Describe the process of finding the ONE. It is something she values in this case.

Juliet: this is true but it will happen eventually-- thats true too

Derek: Would you mind if I asked you a question?

Juliet: sure thing ask away

Derek: You seem like an imaginative, deep hearted person...

Hidden complement. Based on that she writes poetry (imaginative) and that she has a deep love for her child (deep-hearted)

Derek: what sort of person do you consider yourself to be?

Juliet: well you are very perceptive -- intelligent caring funny hopeless romantic cute or so I'm told – LOL

Collect more information about how she pictures herself.

Derek: Oh, so at the beginning of a relationship, you prefer romance over passion and excitement?

Use this question a lot. If she says "passion" she'd probably an easy lay if you act spontaneously and passionately.

Juliet: actually I like both i like the passion but passion has to remain throughout the relationship *Great she does. This tells me she's open to making out very quickly, and the more initiative I take, the better.*

Juliet: or it dies and ppl become bored

Derek: Yes, passion is like a fire, you have to keep feeding that fire and let the flame get hotter and hotter

Create a vivid, descriptive analogy for passion to get her turned on.

Derek: And most people don't know how for some reason

Juliet: this is true -- thats true but after being married i learned a few things

Show that you understand her feelings.

Derek: Oh, I'm curious to learn from your experience

Derek: You are a deeply caring person - passion never dies in people like that

Link "deeply caring person", which she already agreed with, to that she's "passionate".

Juliet: well i know one thing just when you think you have it all is usually when its gone'-- well my passion never died

Juliet: i just know it never pays to lie and think you will get away with it -- my ex knows this well

Derek: Sometime you have to look for that relationship in other places; and you learn where to look

Derek: He wasn't honest?

Juliet: no he was quite a character actually i had our marriage annulled

Juliet: he was already married and then he married me then he cheated on me

Derek: !!!

Juliet: yep i picked a real winner

Derek: do you feel burned badly, or are you still excited by meeting new people and having relationships?

Use the context of the conversation to see if she's ready to "fool around" and have new relationships.

Juliet: well I got burnt bad but life goes on I'm just more careful i seem to attract idiots for some reason

Derek: lol

Derek: well, you'll find that special person that everything is just like magic and he's a really great, good looking guy

Pace what she is looking for in a guy – and tell her if she hooks up she'll love it.

Juliet: no for real its true i just cant sem to find him-- i guess im too picky lol

Juliet: i wish

Derek: What is most important to you in a guy then? if you're picky

Find out what she likes in a guy so that you can fulfill those needs of hers later.

Derek: what characteristics

Juliet: well put it this way I need intelligence , but on the same hand i like a guy who takes care of himself –

Easy to do, easy to do

Juliet: and he has to have a sense of humor

Translation: Be easy going and make me feel good. This doesn't mean you have to make me laugh hee-haw.

Derek: hmm... I think those are pretty basic... you want a good looking guy who knows how to really love you in the way you deserve and he can't be a dolt

She her that you understand what she wants. Throw it back at her, but phrased slightly differently.

Juliet: true true - but he doesn't have to be perfect either

Derek: what I find most exciting about relationships is when that passion just happens right away

Derek: and there's that look in someone's eyes

Derek: like you can look the whole way into them

Juliet: well there has to be a spark but that doesn't mean sex on the first date either which for some reason men in [city] find that the way

Derek: and it's like you've just known them forever

Derek: yes, you have to respect people's boundaries

This presupposes you're NOT one of the guys who needs sex on the first date (even if it happens on the first date anyway ☺). It shows you understand her wants and feelings.

Derek: I have rules before ever having sex, but most guys don't have any rules

Tell her that you have boundaries, since this is a concern of hers.

Juliet: thats when you fall for someone and why is it that in [city] men just want an armpiece --- whats that

Derek: what's important is when you can share intimate moments with someone, and really, really share with them your feelings

Derek: and your dreams and fantasies and disappointments

Juliet: and the third thing

Derek: some people only look on the surface though

Derek: third thing?

Derek: you mean intimacy?

Juliet: thats true -- don't get me me wrong I am not by any means ugly or anything like that but I am not a model i'd rather be appreciated for my intelligence then my looks but for some reason i get hit on just for my looks

Derek: I can understand your feelings

Derek: because they're not treating you like a person

Juliet: i can tell if i guy wants to know by one thing he does and if he does this i am not interested

This is VERY important as she's about to tell me what NOT to do. Listen up!

Derek: I'm curious, what that red flag is for you

Ask her!

Juliet: well ill tell you a quick story

Derek: ok

Juliet: i met this guy named David from online - we talked and i kept noticing him staring at my chest and all of a sudden he started talking about sexual positions and sex and I was like bored out of my mind - needless to say we kissed for awhile and when he wanted to go further i said no and now i barely hear from him

Derek: Yes, I would definately stay away

Juliet: from me?

Derek: lol

Derek: no you from him

Juliet: oh ok yes i do

Derek: What I find most interesting is really getting to know someone

Derek: what do you like most about meeting someone?

Derek: Let me ask you this, what is the most romantic thing anyone has ever done for you?

Get more values from her.

Juliet: yeah i like that too - i like to get to know ppl.. well i like to talk a lot with someone before i meet them then if there is an attraction then even better.. i don't remember

Derek: Yes I like to hear people's voice - voice can be very sensuous, and I can usually tell a lot from someone's voice

Derek: I just like listening sometimes

Derek: ever love to just listen to someone's voice as they hold you and you feel warm and safe

Derek: wrapped up in their arms

Get descriptive with "touch" and "sounds" to get her horny.

Juliet: thats cool i just have had some bad experiences on here too-- yes i love that

Derek: and know that you'll meet the right person

Derek: and imagine all of the good experiences you'll have together

Derek: like that person, soft, special kiss

Get descriptive with a romantic kiss to get her horny.

Juliet: i had that with one person but he couldnt handle the fact that i had a kid-- well i still meet it just sucks when you have good conversation and then you meet and they are not at all what you expected

Derek: first, soft, special kiss i mean :-)

Juliet: yeah thats great

Derek: if you're daughter is great girl, she's part of you and that has to be part of the relationship

Derek: My friend and I were talking recently about the magical moments in a first kiss. What's your favorite moment in a kiss?

Collect information so you'll know how to lay on the first smoochie-smoochie.

Juliet: ill tell you what if he gives me butterflies he's done well LOL

Juliet: i love to kiss soft and long

Derek: Yeah, that pounding in your heart, sometimes of anticipation

Juliet: yeah exactly

Derek: that soft, long kiss - it's like the moment just slows down and you want it to last forever and ever because in that moment is perfection of the human spirit

Get her horny with description.

Juliet: i love it when a man looks in my eyes and is not intimidated

Derek: Hes, that piercing look, soul gazing

Juliet: yeah you really should read these two poems i wrote i think you would enjoy them

Derek: ok. I write too a little too :-)

Derek: what are they about?

Juliet: dreams and destiny

Juliet: they are named that as well

Derek: Dreams and destiny are some of the most fascinating topics

Derek: at the heart of who we are

Juliet: exactly

Derek: What I look for most in a girl is that she has dreams, an imagination!

Indirect complements galore!

Derek: because that is so important, I think

Derek: how do I read them?

Juliet: well i will tell you where to go www.cutsie-poetry.com put in the poet's name Juliet

Derek: ok hold on

Juliet: ok

Derek: I see a lot of poems by you

Juliet: yeah

Derek: I read Love, you are a deeply passionate person

Juliet: thank you

Derek: I'll IM you a poem that I really like

Juliet: ok

Derek: I didn't write it, but it's by a famous poet. And you can substitute "pleasure" for whatever you like... the structure of the poem is what I really like

Derek: Go to your fields and your gardens,
And you shall learn that it is the pleasure of the bee
To gather honey of the flower,
But it is also the pleasure of the flower
To yield it's honey to the bee.

For to the bee a flower is a fountain of life,
And to the flower a bee is a messenger of love,
And to both, bee and flower

THE GIVING AND RECEIVING OF PLEASURE
IS A NEED AND AN ECSTASY.

I always keep a poem about sex on hand. An ambiguous one though, you can interpret this poem Rate G or Rated R.

Juliet: ok cool

Derek: The sharing of love is what love really is

Juliet: wow thats really good it really explains love -- you took the words right out of my mouth

Derek: Do you believe in Destiny?

Juliet: yes i do

Derek: What is your Destiny?

Women love this topic of destiny for some reason.

Derek: How do you know when you're Destiny is there in front of you?

Juliet: who knows it could be me -- part of my poem LOL--

Juliet: well it will be a look that I've never seen a feeling I've never felt

Derek: lol yes

Derek: I think you have to be open to Destiny

Derek: And embrace the people in front of you, take that chance and just grab it

Referring to myself of course!

Juliet: i have fallen in love but not true love-- i am open to destiny- thats why i take it one day at a time -- true true

I've got her saying "yes"... "yes"... "yes" at this point to whatever I say!

Derek: I have to compliment you - I think we both have a lot in common

Derek: I'm sure you have that sparkle in your eyes that very few people do

Complement, not about looks but about her energy

Derek: that sparkle that says you don't just glow in your eyes but in your whole personality as well

Juliet: it's funny you said that someone once told me that

Bingo! I must be psychic ;)

Juliet: i think that and I have dreamed of this happening

Derek: what are you dreaming?

Juliet: my true love will look in my eyes and say to my i am lost in your soul forever i dreamed it a man dont know who he is but i hope he finds me or i find him :-)

She threw my a major green light with the happy face!

Derek: Well I think we deserve it to each other to get to know each other better, don't you?

I pick up on the hint and make my move... "we deserve it to each other" suggests that meeting is to HER benefit.

Juliet: sure why not can i ask you a question ?

Juliet: well a few

Derek: ok, ask me

Juliet: cause you have to enjoy your work

Derek: hmm? My work... I do enjoy it

Just say yes to whatever. Paint yourself in the best light possible.

Juliet: what do you do ? do you mind me asking

Juliet: please tell me you aren't a doctor

Derek: I do web development / software development for a company that builds motherboards

Derek: lol, oh why not a doctor?

Juliet: whew thank god

Juliet: well all the docs I know have their head up their ass

Derek: lol oh

Juliet: sorry i work at the hospital med center and I've seen one too many I'm a god docs

Derek: Hmm work is important, but it's not what makes you... a well paying job doesn't make you a better person

Derek: oh, you mean they're conceited?

Juliet: no I'M NOT ASKING ABOUT MONEY BELIEVE ME iLL NEVER LET A MAN SUPPORT ME AGAIN THATS WHERE i GOT SCREWED- YES

Values she doesn't like. Brag and you're sunk! The key of succeeding with women is asking them questions and LISTENING to them.

Juliet: sorry bout the caps i can't type

Juliet: all i wanna know is if you are happy cause if u r miserable that makes for bad times in a relationship

She's implying that we're going to have a relationship now. Bingo!

Derek: i live pretty well but it's not about money in the end

Juliet: thats true

Derek: lol, no i'm not miserable

Derek: I love [city], this is a big adventure for me

She's interviewing me now, so change topic.

Juliet: I live with a friend until i graduate - [city] is damn expensive

Derek: and life is the best thing there is

Juliet: how old are you?

Derek: I'm ___.

Derek: but everyone thinks i'm older

Derek: How old are you?

Careful how you play the name game. A lot of women are sensitive about their age. I usually bolt if they're older than 40 myself.

Juliet: i'll bet if you saw me you'd say 19 or 20 but Im actually going to be 32 in November-- thats true

Derek: I think that's a great age

Juliet: yeah until you get there LOL

Derek: Well you FEEL like you're 19, right? ;-)

Derek: that's what counts inside

Juliet: yeah on occasion but don't get me wrong my partying days are over - i have a daughter

Juliet: i don't do the south beach thing - been there done that I want to settle down

Derek: Hey Juliet, i've really enjoyed talking with you and it would be a shame if it had to end here

Don't stretch out the first conversation too long. If she likes you, she'll make sure you can get in touch with her later. It's always best if you're the first one to leave, otherwise you look like a desperate joker.

Derek: because we could have so much fun talking more

Imply that you want to talk again. Notice how this is ambiguous... she may give you her phone number again and does NOT imply only chat by IM.

Juliet: why would it end?

Derek: Is there anyway I can get in touch with you?

Juliet: hmmm well can i ask you my last question real quick

Derek: ok, please do

Juliet: ok this is just for me to get a little idea of who im talkin to what do you look like

If she asks what you look like right before you leave, she's definitely interested.

Derek: I'm 6'0, dark hair, blue eyes

Derek: I work out regularly

Derek: I'm most proud of my pecs I think - I have great pecs

Derek: Does that answer your question?

Juliet: thats cool so you like to stay in shape then

Derek: Yes, that is very important to me

Juliet: ok cool whew

Juliet: u don't have to be perfect but health is very important to me, after all that is my field

Juliet: well you care about yourself right thats all that Derekers - your health is very important

Derek: I don't smoke or get wasted if that's what you mean

Juliet: well too bad you aren't up all night I'd say call me on my break at work-- that's cool

Derek: When would be a good time to call you then? I'd love to talk with you

Juliet: really you'd call tonight

Juliet: i don't get a break till late though

Derek: How late? Maybe I can call you the next day if it's very late

I don't like to call a girl back that fast... it makes you look a tad desperate.

Juliet: usually 3:30 am yeah it's very late

Derek: Hmm, how about I give you a call in the next few days then, possibly tomorrow?

You're a busy man, you've got a life... calling her the next day is fine. If she likes you, she'll be there waiting.

Juliet: well i am working tonight and tomorrow night i'll probably be free to talk on Monday evening

Derek: Ok :-) we'll look forward to then. What's your number that I can reach you at?

Juliet: call my cell _____. if I don't answer leave me a message

Juliet: or if you are up early like say 8am call me then

Derek: ok, we'll have an incredible time talking

Derek: 8 AM on Monday?

If you set up an exact time, she'll be ready for you. Otherwise, you may catch her at a bad moment when she's not in the mood for talking.

Juliet: I'm sure we will no tomorrow if you are up or Monday morning

Derek: Monday is easier for me... so until then

Juliet: ok no prob I'll talk to you then :-)

Derek: ok have a good night at work, Lisa

Juliet: you have a good night as well

Derek: and tell your daughter hi for me!

Mention her daughter at the end shows her you care about more things than just hooking up. It also shows you genuinely were listening to her and that you care.

Juliet: bye Derek

Derek: bye

Juliet gets Hot and Horny part #2

Age 32

Occupation: Nurse

Likes: Poetry, sex, the beach, being a mother.

I didn't get a photo of Juliet until after I met her. And thank god I met her on a chance, because boy, the first night I met her she rocked my world! Juliet always wore 3-inch heels that really accentuated her killer toned legs. Best of all, she loved receiving pleasure and I bedded her the first night we met. She wasn't as good herself at giving it, but I eventually taught her a thing or two 😊. Although she may look a little standoffish, she had a very open personality and establishing rapport was quick and easy. We're still enjoying our relationship (long distance now) to this day.

Since the last episode with Juliet, I got sick so had to put off our meeting. Instead we talked on the phone and lmed each other again.

Juliet: hey there

Derek: hey, how r u!

Start off with a little enthusiasm – it never hurts.

Juliet: not bad how bout you

Derek: great I'm over being sick officially as of today

Juliet: lucky you :-)

Derek: I enjoyed talking with you, that was a lot of fun

Derek: you're life is so interesting

Juliet: I did as well :-) how was your week? thank you

Derek: hmmm... my week I was taking it kind of easy. i used my imagination to go places

Derek: instead

Derek: saw a few movies

Derek: with the lights low under some covers

Meant to get her horny.

Juliet: that's cool by yourself hm m m m m

Got her suspicious as well. A good sign, because the jealousy is showing through. She wants me baby.

Derek: I wouldn't want anyone to get too close to me

Derek: I wasn't that sick, but still

Juliet: yeah bein sick and all LOL

Derek: how was your week? see any bad gaping wounds or anything?

Referring to her work in the hospital.

Juliet: nope but i got beat up by an 89y/o man

Juliet: he was confused and punched me right in the head

Derek: !! ?? oh yeah they can be tough

Derek: did you fight back?

Juliet: i was dumbfounded- nooo i held his arm down

Juliet: then i tied him down

Derek: When something like that happens what do you like to do relax when you get home?

Derek: 'to relax'

Get her horny again, make her thinks of good feelings by having HER describe a story.

Juliet: take a long hot shower i would like a backrub but i can' do that myself LOL

Major green light.

Derek: yeah I love hot showers

Derek: Actually, hot baths but I rarely take them

Juliet: yeah me too

Derek: but the heat just works its way through every muscle in your body, it just feels incredible

Get her horny with a hot description of myself naked in the bathroom (implied).

Derek: and all of your worries just seem to end

Juliet: yep it sure does i just took one now before i head to work

Juliet: so you heading out this weekend? see the town

Derek: well I like giving back/shoulder rubs but I'm not exactly an expert

Juliet: i will be soon

Derek: Tonight one of my friends from work and I are suppose to get together, a new friend

Juliet: thats cool

Derek: it's up in the air for us, possibly _____.

Derek: What are you planning? Don't you have to work

Here I casually talk about over contacts – shows her I have a life. Don't brag though.

Juliet: yeah that place is pretty cool- you takin her to dinner

Juliet: yep 11 to 7

Derek: lol it's a he not a she

I was a bit too ambiguous for her.

Juliet: oh sorry

Juliet: i just ASSumed

Now she's getting sexually explicit herself. This girl is horny as hell.

Juliet: but thankfully I'm off the rest of the weekend

Derek: lol no problem.

Juliet: i'm lookin at getting a position right now I will only have to work 3 days a week

Derek: we should get together though this weekend, because we'll have a lot of fun together :-) I want to meet you

Derek: !!! that's incredible if you can get that

Juliet: yeah that sounds good yep i go friday to see

Derek: But 12 hour shifts? what's the catch

Juliet: 12 hour shifts its easier

Derek: I see... just imagine having those days off and spending them with your daughter and your friends

Juliet: yeah it's gonna be great

Derek: and doing more of the things you really like to do and always have wanted to do

Derek: like...

Derek: enjoying the sunrise

Derek: (sounds goofy?) :-)

Juliet: yep exactly- yeah that is awesome and the beach at night

Juliet: nah

Derek: In a sunrise you've got to notice every shade of brilliant orange

Give her some good visuals. It turns women on.

Derek: and how it mixes with the light blue like a big dessert for your eyes

Juliet: yeah my gosh you sound like a hopeless romantic LOL- I'm kidding thats nice really
Even though she says "just kidding", that's what she felt. A little description created a good feeling in her which she associates with me.

Derek: hmm, making myself hungry for some sherbert swirl

Juliet: i love sherbert

Bingo!

Juliet: i haven't had it in so long

Derek: sherbert is one of those things you can really enjoy with someone else

Derek: not a food to eat by yourself

Derek: one spoon or two spoons

Major move here... notice how ambiguous it is though. She can take it as innocent conversation or "let's make out".

Juliet: yeah maybe we could do that

Bingo. She takes it as "let's make out".

Derek: is sherbert your favorite flavor? or you just miss the taste on your tongue

More ambiguous suggestion.

Juliet: :-)

Juliet: i like orange

Derek: hmm yummy imagine letting that sherbert melt in your mouth

Derek: and getting that orange sherbert yum-yum

Sherbert or cock? Eating is very sexy.

Juliet: yeah i know shhhh i want it now and i have to work ughhhh

She wants it now.

Derek: Hmm well just having something to look forward to

Derek: kind of like rewarding yourself with a big present

Juliet: thats true but where do you get sherbert here

Derek: hmmm supermarket... are you near one

I goofed here. She may have been referring to my apartment.

Juliet: yeah I'm near a few but i don't have a car yet hahaha

Derek: how do you get to work?

Juliet: well i had a car it died - now i take the stupid bus till next week i hope -

Derek: oh that's right... well don't eat any sherbert until we're together, that's our special food you and me

I just created a special element of the world that only she and I know about that. It is special meaning for us that no one else knows about – and it's something that she loves to it.

Juliet: ok I won't :-)

Derek: because it represents the sunrise and sunset to us

Link the sunrise to sherbert, which is also something she really likes and thinks is romantic.

Juliet: besides i have to work tonight anyway LOL-- yes it does

Derek: Well at work just take those good feelings between us, that ball of energy, and turn that energy up

Tell her to intensify all of her good feelings with me, but indirectly.

Derek: and think of that

Derek: just duck if someone tries to hit you, ok?

A little humor, referring to the old man who tried to hit her.

Juliet: you think it will get me through the night -- LOL hey i didnt see that coming LOL

Derek: Take that energy and hold it in your hand and put a little of hit into your tummy if you start to get tired

Whenever she gets tired she'll think of me to boost her up! She'll constantly look me to good feelings throughout the night.

Derek: they key is don't use it all at once :-)

Joke about it. This lightens the mood a little.

Juliet: well i'll try not too :-) you are so easy to talk to I like that

She likes talking with me. Bingo.

Derek: thanks Juliet

Acknowledge a compliment. Some men don't have enough self esteem to take a compliment. Show her that you do.

Juliet: you're very welcome Derek

Derek: I'm curious, I have a question for you?

Juliet: ask away

Derek: now i'm wondering what you look like... what color is your hair, is it long/short

Derek: (i don't want to picture you all wrong)

I waited a long time before asking what she looks like. I don't suggest waiting this long necessarily, but don't ask a woman right away either! Always show interest in who she IS first!

Juliet: it's right below my shoulder it is light brownish blonde i'm 5'5" about 110 athletic but not like a wrestler bown eyes

Okay, nice.

Derek: ok, I'm picturing you. I wonder what your eyes are like. I always like people's eyes

Juliet: very light green

Juliet: guys look at that and then of course my chest ugh

Note to myself: don't look at her cheat and keep steady eye contact.

Derek: well some other guys are more inconsiderate

Tell her you're not like that; in fact, ALL other guys are, except you.

Juliet: this is true

Derek: and they can't relax about it

Explain why and she'll respect you even more.

Juliet: but It's men's nature just don't look at only them i do have a pretty face and the rest of me is sexy

Derek: I believe you have to relax and completely enjoy the other person's company

Derek: Yes, but if you really focus in on what a person is saying it's like the whole rest of the world just melts away

Translation: I don't look at tits and when I focus on you, you'll fall in love with me.

Juliet: i do too-- exactly

Derek: and you're looking right into their eyes and that's exactly where you want to be, just there with their eyes

Juliet: wow ok enough enough sold LOL:-)

She wants those feelings with me, now.

Derek: and you have to slow down a little and learn to enjoy that because it's very sensual

Derek: lol i'm not trying to sell you anything

Don't get too mushy-mushy. Give it in small doses.

Juliet: I know I am kidding silly

Derek: that is a kind of intimacy all to itself

Derek: what's your favorite intimate moment? (the big-O doesn't count here)

Ask her what she likes in an intimate moment (notice how I don't specify anything... it's up to her to decide.) I also want to use this information when I meet her so I make it clear than orgasms don't count.

Juliet: hold on

Juliet: sorry

Juliet: i got a call about getting a car

Juliet: what's the big O

Derek: orgasm

Juliet: oh ok duh

Derek: like a romantic moment

Juliet: well my favorite intimate moment is i guess just kissing and holding that person close
Kissing. More evidence that this girl wants to be kissed.

Juliet: i know mushy

Derek: lol yes simple things like that

Juliet: yeah that's me ;-)

Derek: If you were to imagine that now, how good does it feel on a scale from 1 to 10?

Juliet: oh if with the right guy 10

If it was anything less than a 10, I'd amplify that feeling up, but there was no need to in this case. You could amplify it to "infinity" but I thought that would be going overboard in this case.

Juliet: i love it

Derek: Being held in two warm arms and that long slow kiss and smile and a soft touch, am I right?

Imply that I know how to be that super, sexy guy she wants.

Juliet: especially when it's like the anticipation of the first kiss then it just all flows OOOOH -- yeah you got it

Derek: lol I think that's a universal favorite

Juliet: yeah maybe

Derek: I'm just thinking work is such a contrast

Juliet: work is ?

Derek: not as warm

Derek: I should be getting off relatively soon

Notice the hidden sex act "getting off" in the sentence.

Juliet: if it's forced you mean

Juliet: fetting off eh

Juliet: getting off LOL

Excellent. She caught it.

Derek: lol no I didn't mean it like that, but don't put any good ideas into my head

Answer: I didn't imply it, but I sure do like it!

Derek: I mean I need to give me friend a call sometime soon

End the conversation before she does.

Derek: How about we talk again though

Juliet: ok that's cool - so do you want to meet me this weekend maybe tomorrow if u r free- yeah

She's asking me out to meet. I didn't even have to. That means I need my work well!

Derek: possibly tomorrow, but it would have to be later on in the the day or evening

Juliet: oh of course

Juliet: i will be sleepin anyway in the am

Derek: right, how about I give you a call and we figure it out then? We can get together for coffee or something

Juliet: or sherbert LOL sure that sounds cool

She wants more. I'm being too conversative.

Juliet: hey do u have an email account

Derek: yes, my@emailaddress.com

Derek: ok it's a sherbert party

I quickly adjust and make our encounter more suggestive.

Juliet: you can call this # if i dont answer the cell at _____.

Derek: ok that's perfect... I enjoyed chatting with you

Juliet: me too talk to you tomorrow take care have fun this eve

Juliet: ;-)

Derek: :-) Be careful at work next time you might have to dodge bullets

End on a lighthearted joke, referring to the old man who tried to punch her.

Derek: take care

Juliet: hey you don't jinx me

Juliet: bye:-)

Marsha – Taking boredom to the next level

Age: ?

Occupation: ?

Likes: Cooking, bowling, walking, and fishing.

This case is a prime example of the kind of women that would drive you a bit nutty.

Derek: hello

Marsha: hello

Derek: hey so what's going on? :)

Start off friendly

Marsha: rain

Derek: rain?? it's sunny here

Marsha: are you west of ____?

Derek: no i'm east

Marsha: that's why you have sun

Derek: i guess the west is underwater then

I usually start by cracking lame jokes.

Derek: yes but it's really hot

Marsha: if not, it's close

???

Derek: i'd like a little rain

Derek: I'd grab an umbrella and sing 'singing in the rain'

Lame joke to open her up.

Marsha: stay where you are it'll be there

Derek: lol uh oh. what should i do to prepare myself? build an underground bunker?

Marsha: that's smart...

Hasn't picked up on any jokes so far. Most women do. Bad sign.

Derek: i guess you're a sun girl? I use to live on the beach - fun

Marsha: not a good place to live , sand will wash away

Derek: well that's true, fun while it lasts though

Derek: ever been to the beach

Derek: ?

Marsha: best to build on rock ,

Derek: lol

I'll take it as a joke, but I'm not sure. This chick has NO sense of humor.

Derek: so best on a mountain top then?

Marsha: yes, Erie has great beaches

Derek: isn't it cold up there??

Derek: i was in ft lauderdale

Marsha: erie, no , it's not , it's actually warmer than the ocean

Derek: lol oh, so it's a skinny dipping beach then?

Marsha: if you want to risk jail , it can be..

Derek: it doesn't sound like you're a fighter for nudist equality then lol

Marsha still hasn't opened up. More lame jokes then.

Derek: what is it that you do like to do then

Derek: lol your profile is pretty sparse!

Marsha: I cook , I bowl , I take walks , I like to fish

Sign to bail now. She sounds like a redneck. I don't give up easily though.

Derek: cook? tacos..? toast..? cocoa..? those complicated ones

Marsha: some dinners , mostly quick meals

//////..... Boring. Give me something to work with.

Derek: lol you mean like tv dinners? those are quick

Marsha: no .. but close

Derek: lol so cooking is something you really like to do? what is it that you really like to do

Okay, need something more interesting from her. Notice how I'm asking all the questions... she's barely alive. Good time to bail normally.

Marsha: scrool back and read

??? Chick can't spell worth shit.

Derek: i like reading too. what subject?-- racy romances, how to bowl, fiction

Here I introduce sex very lightly. Hopefully she'll pick up on "racy romances"!

Marsha: I like romance , adventure and some sci -fi

Bingo, she does.

Derek: i've read a little romance..!

I haven't, but I know what they're about more or less.

Derek: the kind of a guy who sweeps the woman off her feet.. strong, independent, dangerous

Marsha: must be a sensitive loving guy, not many guys read romance

I scored points. That's why it's so important to listen to what they're saying and show interest in it. If she brings up a topic like "bowling" and it's genuinely boring to you, try to pick another topic that's more interesting so that you can respond with genuine curiosity.

Derek: well haven't you ever had the feeling of surrendering yourself to a sexy man who must have you

Get vivid with the description... that's what gets women horny as they imagine the scenes.

Derek: thanks! I bet you're a sensitive woman who can appreciate that

Acknowledge a complement.

Marsha: oh , there have been times.. but it's all fantasy

Now she's showing her horny streak under all of that repressed sexuality.

Marsha: not as sensitive as I should be

Derek: lol i like fantasy. why not let it be true?

Derek: why's that?

Marsha: something are attainable some are not.. if I was single then maybe..

Okay, not single. This girl is mostly a waste of time. I might as well see if she's the "bored housewife who needs a thrill" type.

Derek: are you having relationship problems?

Marsha: no , never have

Marsha: we drive each other equally nuts

Derek: is that good? i mean, have you ever been with someone in just the way you truly want to be with someone? who fulfills your needs

Marsha: yes, and I married him..

Lol okay, boring. She claims to have a "perfect marriage". Should sink this Marsha for the amount of time involved.

Derek: lucky you!

Marsha: have you ever found someone such as you described

Notice this is the first time she's asked me a question. Usually I'm asked a question within the first 5 minutes though.

Derek: yes, she's in ____ now. we have an open relationship

Might as well hint at the truth. It might spark open her dull personality and lazy imagination.

Marsha: and where are you?

Derek: near ____.

Derek: we visit each other sometimes

Marsha: so what you described in a person isn't really true

Marsha: at least not when describing her

Derek: well when we get together we're very close. i do perceive our relationship like that

Derek: we talk every few days

Marsha: most not be true , or else it would not be an open relationship .. there would not be a need for another .. everything would be fulfilled..

What I said violates her apparent "love can only exist in marriage" belief. We're losing any rapport we had fast. Then again you don't need to have rapport with everyone you meet – some girls are simply pain in the necks and you don't need their bad attitude no matter how attractive they are!

Derek: well that's the way she is and so am i. that allowance of freedom IS part of her being fulfilled. She has different values.

Some women DO want to enjoy their freedom and you still can have a wonderful time when you're both together.

Derek: Do you spend every second with your husband? Having your own time to yourself is part of being fulfilled in a relationship

I don't suggest you argue with then like I do here (she just hit a pet peeve of mine – dummy girls telling me my relationships are not valid). The best way is simply to end the conversation.

Marsha: well, something's missing in the relationship.. It's not like you described.. either you or her are still searching for something

Marsha: not every min, but I always know where he is and he knows my whereabouts also and what we're doing

She can't let go of this. Lesson: don't bring up your past or current relationships on a first "date", even online unless the girl is cool.

Derek: not all people are like that.. you're filtering what i'm saying through the concept of marriage. that's not how all people think or want. some women are more independent. when we're together we always feel really great with each other. If you can't accept that fine, I'm not asking you do it.

Derek: take care

Here I end my conversation with Marsha. If the girl is a loser, make sure that you end the conversation first.
